CREATING A ROAD MAP FOR YOUR FUTURE

Introduction - Karen Jacobsen - The GPS Girl®

Do you feel lost?

Have you given up on your dreams?

Are you not even sure what your dreams are?

If you answered yes to any of these questions you have reached your destination.

You have heard our Speaker's voice in over 100 million GPS devices worldwide and as the Australian "Siri" in 300 million iPhones.

She's an award winning Singer and Songwriter and the Author of The GPS Girl's Road Map for Your Future.

When she's not telling people where to go, she's practicing yoga or more likely running after her 6 year old son.

Please join me in welcoming from Australia now living in New York City, Entertainer, Author and the "only woman men will take directions from" - The GPS Girl®, **Karen Jacobsen**.
